IMPORTANT INBOUND MATERIAL HANDLING/SHIPPING INSTRUCTIONS

It is the responsibility of the exhibiting company to arrange any and all shipments to the CSI warehouse or the Venue.

Advance Shipments - Receiving begins 30 days prior to exhibitor move-in. Shipments must arrive at the warehouse no later than **9/25/18**. Shipments arriving after that date will be received; however additional charges per the attached rate sheet will be incurred. Warehouse receiving hours are **Monday-Friday 8:00AM-4:30PM (closed all major holidays)**. Shipments arriving outside of those hours will incur additional charges per the attached rate sheet.

DO NOT SHIP YOUR MATERIALS TO THE VENUE PRIOR TO THE ASSIGNED EXHIBITOR MOVE IN DATE OF: 9/28/18

Direct Shipments – Highly discouraged. Shipments that must be directed to show site can only arrive at **during exhibitor move in hours**. Early shipments may be refused. CSI is not responsible, for loss or damages, for shipments that are delivered to the Venue prior to that date. **Items shipped directly to show site and handled by CSI personnel will be charged drayage/material handling per the rate sheet enclosed. Additional West World of Scottsdale fees may apply.**

Consolidate your shipment and save - Separate shipments received by CSI will not be combined. The minimum 200lb charge applies to each shipment that CSI receives. Shipments arriving at the same time from different destinations are considered separate shipments. Please be aware that FedEx and UPS may split shipments resulting in CSI receiving multiple shipments.

ALL SHIPMENTS MUST BE SENT PRE-PAID; NO COD'S WILL BE ACCEPTED.

Outbound shipments - Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the CSI Service Desk. **Do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the official show carrier must make arrangements with their carrier to be checked in at the CSI Service Desk by the driver check-in time specified on the *Show Information* page. Drivers are placed in line for loading on a first come, first serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in by the designated time or refuses to pick up your shipment, CSI reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

NOTE: Any items left on the show floor will either be brought back to the CSI warehouse and additional charges will be incurred or re-routed with CSI's designated carrier. By shipping your products to CSI and/or the West World of Scottsdale, you agree to the terms and conditions outlined in the Limits of Liability section of the service kit.

ARIZONA UNION GUIDELINES AND SAFETY TIPS

To assist you in planning for your participation we are certain you will appreciate knowing in advance that union labor may be required for certain aspects of your exhibit handling. The following is a description of the work rules and an outline of union jurisdiction. CSI has skilled, friendly and quality conscious employees in Arizona available to assist you with most aspects of your exhibiting experience. Arrangements for labor and other services can be made through the forms provided in this exhibitor service kit.

Booth Labor

Currently, we have an agreement with the Local International Alliance of Theatrical and Stage Employees (IATSE). Members of this union claim jurisdiction over all setup and dismantling of exhibits, furniture installation, pipe and drape, hanging of signs and laying of floor coverings and unloading and delivering of all display related materials.

- Exhibitors may use full-time company personnel that will be staffing their exhibit to assist in setup and/or dismantling of their own booths.
- Exhibitors may employ the services of Non-Official Contractors providing the following requirements are met:
 - A. Exhibitors must advise CSI in writing, thirty (30) days prior to setup of the show, of their intent to hire an outside installation and dismantle company or exhibit house to supervise, install, and dismantle their exhibit. The Intent to Use Non-Official Contractor form must be completed by both parties and returned no less than thirty (30) days prior to setup.
 - B. Non-official contractors must furnish proof of adequate insurance, in the form of an original copy of a policy rider listing CSI as an additional insured, furnished by their broker to CSI office no less than thirty (30) days in advance of actual installation dates.
 - C. Non-Official contractors must furnish show management the names, addresses and telephone numbers of key executives for emergency contact.
 - D. All personnel must wear proper identification at show site.
- All non-official installation and dismantle contractors will be allowed on the exhibit floor only during installation & dismantling hours, and must be identified with a temporary work pass, either supplied by show management or the official service contractor.
- Exhibitors that plan to setup and dismantle their own booths or equipment, with their own employees, are not required to fill out the Non-official contractor's form or send in proof of insurance.

Material Handling

Exhibitors are allowed to unload a mini-van, car, station wagon or pick-up. Exhibitors may use hand-operated equipment that the Exhibitor has provided themselves such as, two wheeled hand dollies and four wheeled flat carts. The use of fork trucks, pallet jacks and any other mechanical equipment is not permitted by anyone other than CSI Any crated materials must be handled by union personnel.

Similarly, relative to outgoing shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of material from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the booths unattended. Therefore, it is agreed that CSI and its subcontractors shall not be liable for the loss of, disappearance of, or damage of any items left in the booth unattended at any time. Consequently, all bills of lading covering outgoing shipment(s) submitted to CSI or its subcontractors by the Exhibitor will be checked at the time of pickup from the booth and corrected where discrepancies exist.
3. CSI and its subcontractors shall not be liable for any damage incurred during the handling of materials or equipment requiring special devices to properly load, place, or reload unless 14 days advance notice has been given to CSI in time to obtain the proper equipment.
4. CSI and its subcontractors shall not be responsible for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, terrorism, acts of war, utilities, and other events of force majeure. Any and all work performed by CSI or its subcontractors up to and including the occurrence of any of the above must be paid in full.
5. CSI and its subcontractors shall not be liable for ordinary wear and tear in handling of materials and/or equipment.
6. CSI and its subcontractors are not insurers; i.e., CSI does not insure the Exhibitor's property against loss or damage, nor does it provide for full replacement value should loss or damage occur. Insurance, if any, shall be obtained by the exhibitor. Amounts payable by CSI under this paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. Provisions of this paragraph shall apply if Exhibitor's property is lost or damaged through performance or non performance of services by CSI, or from the negligence of CSI, its subcontractors or their respective employees. If such loss or damage occurs, the liability of CSI and its subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Exhibitor's agreed-upon damages and exclusive remedy.
7. CSI and its subcontractors shall not be liable to any extent whatsoever for any indirect, special, incidental, or consequential damages which may include, but are not limited to any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss or damage to Exhibitor's materials or any injury to Exhibitor's personnel which may make it impossible or impractical for Exhibitor to exhibit its materials.
8. CSI will not be bound to honor any claim or action brought against CSI or its subcontractors more than 60 days after the date of incident.
9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that CSI and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of CSI or its subcontractor sign a delivery receipt, bill of lading or other document, the parties agree that CSI or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.
10. CSI and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit. Such shipments will be delivered to booth without guarantee of piece count or condition.
11. Empty container labels will be available at the CSI Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and CSI and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers.
12. In order to expedite removal of freight from the show site, CSI shall have the authority to change designated carriers, if assigned carriers do not pick up on time. Where no disposition is made by the exhibitor, freight will be taken to a warehouse and forced shipped on a carrier determined by CSI and the Exhibitor agrees to be responsible for payment of charges relating to such handling and shipping. CSI assumes no liability as a result of rerouting or handling.
13. Dry and cold storage – Exhibitor stores products at its own risk. CSI assumes no liability or responsibility for dry or cold storage.
14. The Exhibitor agrees, in the event of a dispute with CSI or its subcontractors related to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to CSI for freight handling services or any other services provided by CSI or its subcontractor as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay CSI prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against CSI or its subcontractor shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.
